## EXPLANATION OF CROCHET STITCHES.

**Chain.**—Make a slip knot on needle, draw thread through this loop. Draw wool through second loop and continue for whatever length of chain is required.

**Single Crochet.**—Put hook through work at stitch indicated in directions; draw thread through work and through loop on needle at same time. This is sometimes called Slip Stitch

**Double Crochet.**—Put hook through work, thread over hook and draw through, making two loops on needle; thread over again and draw through both loops.

**Treble.**—Thread over the needle; hook through work; thread over and draw through, making three loops on needle; thread over, draw through two loops; thread over again and draw through remaining two.

**Double Treble.**—Thread over hook twice; hook through work; thread over and draw through, making four loops on needle; thread over and draw through two loops, then the second, two, and lastly the remaining two.

**Long Treble.**—Thread over hook three times; hook through work; thread over and draw through making five loops on needle; thread over and draw through two at a time.

**Picot.**—A Picot stitch is made by working 4 chain, then making a double crochet in the fourth chain from needle.

**Star Stitch.**—On a given number of chain pick up four in addition to the loop on needle, thus making five stitches; draw wool through all five together; then make one chain. For next star draw thread through the hole under the one chain; then through the back thread of former star and pick up two more chain and draw through all five loops together. In second row—make three chain to commence. Pick up the second and third of these, then the back thread on top of star below, and lastly draw thread through eye of star below, and draw wool through all five loops together; 1 chain, and proceed as before.

\*is used to indicate repetition of preceding instructions.

Calls for finishing off cords at waist, etc. Work 4 chain and join into a ring, into which put 14 treble (3 chain to begin counts as 1st treble), then make 1 double crochet into each alternate treble (this will draw it almost close up). Break off end of thread and sew on to end of cord.

## BOY'S SWEATER.

(6 to 18 months.)

**MATERIALS.**—3 ozs. 4-ply fingering wool, No. 7 needles.

For back cast on 60 stitches, and knit in ribbing of 2 plain, 2 purl, for 10 rows, then begin pattern.

With right side of work towards you,

1st ROW.—Plain.

2nd ROW.—Knit 1, knit 2 together, \* wool over needle, knit 1, knit 2 together. Repeat from \* to end of row, knit the last 2 stitches singly instead of together.

3rd ROW.—Plain.

4th ROW.—Purl.

Repeat these 4 rows until work measures 8 inches from beginning.

Before knitting purl row for last time, break off wool. Onto loose needle cast on 24 stitches, purl across back as usual, then add 24 stitches. Work pattern right across as usual (always knitting the last 2 stitches of fancy row singly instead of together).

Keep on until you have the 4 complete rows of pattern 8 times (8 rows of holes), then in purl row, purl 42, leave on separate needle. Cast off 24, purl 42.

Knit 6 rows on last 42 stitches.

The 7th row, which is a plain one, increase 1 at neck end by knitting 1st into front then into back of stitch.

NEXT ROW.—Purl. Now increase 1 at neck end every plain row until you have 54 stitches on needle, then work 1 fancy row and 1 plain row. Take care to keep pattern correct all the time. Leave this part and knit second shoulder and front to correspond. Begin where you left off 1st needle, and purl to front, then purl straight on across 2nd needle, so you have all the stitches on one needle again (108). Knit 1st 3 rows of pattern.

NEXT ROW.—Cast off 24, purl 60, cast off 24.

Begin again at underarm, and knit until the same length as back, finishing with 10 rows ribbing, 2 purl, 2 plain. With No. 10 needle pick up stitches at cuff (48), and knit in ribbing of 2 plain, 2 purl for  $1\frac{1}{2}$  inches. Sew up sides and sleeves. Crochet a row of treble all around neck opening.

COLLAR.—Cast on 16 stitches, and knit 6 rows (3 ribs), then pattern.

1st ROW.—Plain.

2nd ROW.—Knit 4, knit 1, knit 2 together, \* wool over needle. Knit 1, knit 2 together. Repeat from \* twice more, then wool over needle, knit 3.

3rd ROW.—Plain.

4th ROW.—Knit 4, purl 12.

Repeat these 4 rows until collar is long enough to go around neck, knit 6 rows plain (3 ribs), and cast off. Make a length of chain with double wool, thread through trebles, and finish with little balls.

## KNICKERS (Boy's Suit).

MATERIALS.—2 oz. 4-ply fingering wool, No. 7 bone needles.

Cast on 72 stitches, and knit in ribbing of 2 plain, 2 purl for 5 rows, then make a row of holes (wool over needle, knit 2 together), then 5 rows of ribbing.

Now working in the pattern (same as Jersey) all the time, begin with the plain row, and knit 9. Turn and knit fancy row, turn and knit 18, turn and purl back. Turn and knit 27. Repeat pattern in this way, adding 9 more stitches each plain row, until all are worked.

Continue knitting backward and forward for 2 inches, then increase 1 every sixth row at the long side (which is the back), until there are 78 on the needle. Knit on until work measures  $7\frac{1}{2}$  inches above the ribbing at longest end.

Now decrease 1 at each end until stitches are reduced to 60. Take No. 10 needles and knit 8 rows in ribbing of 2 plain, 2 purl. The other leg will be knitted the reverse way, so that the two long sides come together, thus:—

1st ROW.—Purl.

2nd ROW.—Purl 1, purl 2 together, wool over needle.

3rd ROW.—Plain.

4th ROW.—Purl.

Sew up legs, then back and front. Run elastic through holes at waist and legs, turn the ribbing up inside at knee.

## FINE KNITTED FROCK.

From 9 months to 2 years.

Cast on 216 stitches and knit three rows plain for

edge. Then knit 72, take second needle and knit 72, take third needle and knit last 72. Now work around and around. Sew the edge rows together first then work.

1st ROUND.—\* Knit 1, knit 2 together, knit 3, wool over the needle, knit 1, wool over the needle, knit 3, knit 2 together. Repeat from \* to end of needle. Work each other needle the same.

Work these eight rounds three times more, then first three rounds.

Here you divide for sleeves. On to loose needle cast on 15 stitches, then knit on plain row as usual until you have 108 stitches (have these all on one needle), then cast on 15 stitches more. Leave the other stitches on two needles for the present. Now continue working pattern as usual, except that you will purl the alternate row instead of knitting it and must have three stitches at each end kept in plain garter stitch to make edge of sleeves. For instance, you will begin the 5th row this way:—Purl 3, \* knit 2 together, knit 1, knit 2 together, wool over needle, knit 1, wool over needle. Repeat from \* to end of row, purling last three stitches; and 6th row you will knit 3, purl 132, knit 3, and so forth.

Knit until your waist shows seven rows of **complete** diamonds. Then, instead of the final purl row, knit plain right across.

NEXT ROW.—Knit 42, cast off 20, knit 42. Knit five rows on these 42. Now knit 16, turn and knit backward and forward three times. Cast off. Leave the 28 on separate needle. Knit opposite shoulder to correspond. This is the back, and the 16 stitches form a flap which will have the buttons on to fasten.

Begin at sleeves for front and work in the same manner until you have knitted the five plain rows on shoulder. Now knit back and front shoulders together, taking a stitch from each side, knit them, then the next two, cast off the first, and proceed in this way until the 28 on each shoulder are knitted off. Cast off the remaining 16 stitches. Knit second shoulder to correspond.

Take a crochet needle and commence at top of back. Work one row of double crochet to opposite side, **not** down the flap. Turn and work one row of treble, then finish with shells, slip to 1st stitch, 3 chain, 1 treble in same stitch, miss two, slip stitch into next.

For front.—Begin at join and work one double crochet on each of first three stitches, \* 3 tight chain, miss

one, 1 double crochet on each of next four stitches. Repeat from \* to top, then work a row of double crochet around neck and button holes down the side as for other shoulder, then a row of treble, and a row of shells on neck. Sew underside of sleeves, and work one row of double crochet and one row of shells around sleeves.

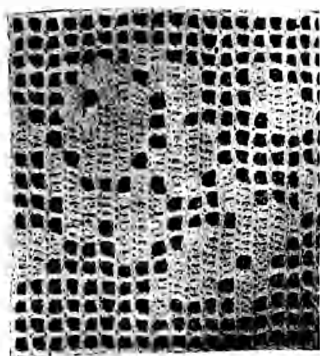

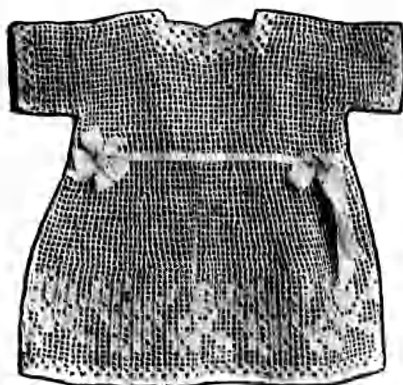

Thread ribbon through holes at waist and tie at sides. Sew buttons on shoulder flaps.

NEXT ROW.—Knit 1, \* wool over needle, knit 2 together, knit 3. Repeat from \* three times more, then knit to end. Cast off. Work other shoulder the same. Now knit stitches which were left on two needles, all on to one. Then knit as for front until casting off row is finished, then work shoulders the same as front as far as row before the last, then instead of making row with holes in (which are button holes) work the row plain, then work a purl row, then a plain row, and cast off.

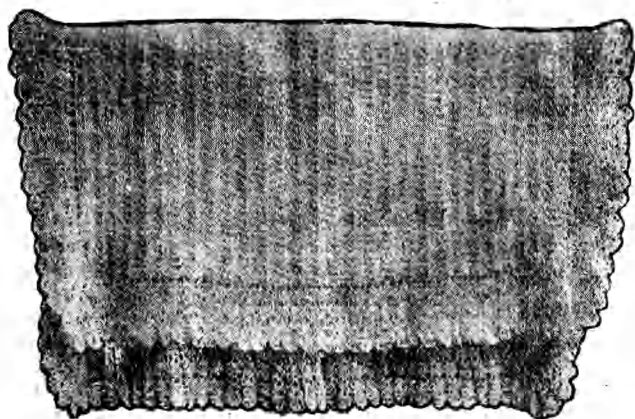

Sew buttons on to correspond with holes, then sew ends which overlap together at top of arm holes.

SLEEVES.—Cast on 60 stitches, and knit one plain row, then work the same as for waist until you have 11 rows of holes, then after plain row in pattern, take No. 10 needles and knit in ribbing of knit 2, purl 2 for 8 rows, and cast off. Sew up sleeves, then sides of dress, leaving space for arm holes. Attach sleeves to frock.

Around neck crochet a row of double crochet, taking 3 stitches together at corners, turn, 3 chain, 2 treble in 1st stitch, miss one, \* slip stitch into next, 3 chain, 2 treble, all in same stitch, miss one, and repeat from \* to end. Thread ribbon through beading at waist.

## INFANT'S SHAWL.

**MATERIALS.**—8 oz. 4-ply superfingering wool, 2½ oz. 2-ply wool, 2 balls Carlson, Currier's knitting silk, a large black vulcanite crochet hook, and a steel hook, size No. 12 knitting needle.

With 4-ply wool make a chain about 40 inches long.

**1st ROW.**—Turn and pick up four in addition to loop on needle, thus making 5 stitches; draw wool through all five together, then make one chain. \* For next star draw thread through eye or hole under the one chain, then through back thread of former star, pick up 2 more on chain, and draw through all 5 loops together. Repeat from \* to end of row.

**2nd ROW.**—3 chain, pick up 2nd and 3rd of these, then draw wool through both threads on top of star below, then through eye of star below, then through all 5 loops together; 1 chain, and proceed as before.

Repeat 2nd Row until shawl is at least one yard long. Take 2-ply wool, join on anywhere and work all around entire shawl alternately 1 treble, 2 chain, 1 treble. At the corners make the 2nd treble in same stitch as first.

3rd ROW.—1 treble in each double crochet stitch, 1 treble, 1 chain, 1 treble in centre stitch of each group of 3 treble.

4th ROW.—1 double crochet in single treble, 2 treble, 1 chain, 2 treble in chain between trebles.

## QUICKLY MADE HOUSE SHAWL.

(Not Illustrated)

Take a piece of viyella, the same length as width, and work a border the same or similar to that used for crochet shawl above. This will be found a most useful article to have. When the border gets shabby, it may so easily be taken off and replaced, as the viyella, if carefully washed, will last as long as can possibly be required.

## SILK CROCHET SHOES.

**MATERIALS.**—3 balls Art 23 Bertha Regina Silk; steel crochet hook.

Commence with 26 chain, turn, and make 1 double crochet in 3rd stitch from needle, and in every stitch to end.

Now work backward and forward, taking hook through both threads. Increase one at beginning of each row, until you have 30 double crochet, counting 2 chain to turn each time as one. Work 3 rows without increase, then decrease one at beginning of each row until you have 25 double crochet. At end of row make 9 chain (for heel), turn, and make 1 double crochet in 3rd stitch from needle, and in each chain, then work on to end of row. Turn.

**PATTERN OF SHOE.**—Work 1 treble, 1 double crochet alternately all the way.

**2nd ROW.**—1 double crochet in each treble, and 1 treble in each double crochet. Increase at beginning of toe end, but keep heel end straight, until you are at toe end of 9th row.

Now work in pattern over 18 stitches for 10 rows, without any increase. At end of next row make 21 chain, turn and make 1 treble in 3rd chain from needle, and work in pattern to end.

Work 7 more rows, decreasing each time at beginning of toe end until reduced to 34. Work last row in double crochet. Sew heel together at back, then taking care seam comes to exact centre of back of sole. Sew neatly together, drawing the straight rows of front together, and sewing to centre of sole.

**STRAP.**—40 chain, 1 double crochet in 3rd stitch from needle, and in each chain to end.

**2nd ROW.**—2 chain to turn, 1 double crochet in next stitch, 3 tight chain, miss two stitches, then double

## CROCHET BOOTIKIN.

Commence with 11 chain. Draw silk through 1 stitch at a time, until you have all on the needle. Now draw through 2 loops at a time to end.

NEXT ROW.—Draw silk through 5 off the upright stitches, one at a time, below, then make an extra one before the 6th, then the 6th, then one extra after the 6th, then remaining 5, and draw through two loops at a time, as before.

Work in this way, increasing one each side of the centre stitch, until you have done 17 rows.

NEXT ROW.—Now draw silk through 14 uprights, and draw back 2 at a time. Work 14 times more, and break off silk.

Begin at other side of toe piece, and pick up the last 14 stitches, and work the same length as other side. Sew ends together. Around top work 1 treble, 1 picot (3 chain, 1 double crochet back into top of treble) alternately.

ends until you have 3 rows of treble at each side of chain. Sew up the toe from edge to centre. This will make the toe slightly round. Now sew shoe to sole and thread a ribbon through holes at top, bringing ends out in centre below flap to tie in a bow.
